**We can freshly grind any of the following blends to your specific requirements.**

## **ITALIAN ESPRESSO**

A complex blend of six origins gives this blend some exceptional flavour qualities. A sweet piquancy for the coffee drinker who likes real depth and complexity in the flavour profile of their coffee. A must try.

## **NEW ORLEANS**

Nutty & lively with subtle caramel overtones. A touch of dark roast enhances its rich, well rounded flavour. Great as a short or a nutty toned latte.
